Course: By rider request, brought back a portion of the woods used in 2012, still utilizes central meadow with pinwheel and gravel path section from 2013. The race course is on the City of Marine Trail system surrounding the very architecturally unique Jackson Meadow community (jacksonmeadow.com). There is a mixture of well marked, wide and relatively smooth grassy ski/ hiking paths, plus blacktopped roads. Paved bike paths parallel much of the course, so bring along the kids to watch and to race.
